

Just call her Eva seduction

Why exactly is Eva Mendes reclining suggestively in a rusty wheelbarrow? We're not really sure, but who's complaining? The "Hitch" hottie posed for the steamy shot by photographer Gavin Bond to help benefit Free Arts NYC, a nonprofit dedicated to introducing the arts to neglected and at-risk kids. You can bid on this and other photos a week from tonight at the charity's annual art auction, hosted by Scarlett Johansson and Liv Tyler, at 450 W. 15th Street. For details, check out freeartsnyc.org.
