PROJECT CASHMERE: Liv Tyler and Julianne Moore are the latest guest designers for N.Y.C. knitwear label Lutz & Patmos. Moore designed a cardigan (available in August) that “you can wear in all kinds of weather,” according to the star, while Tyler went for a cape (in stores now). “It can be worn with jeans or at night over a little dress,” says Tyler. A portion of each sale will go to charity: Moore’s to the Tuberous Sclerosis Alliance, Tyler’s to Free Arts. . . .

Lutz & Patmos cashmere sweaters by Liv Tyler (\$535) and Julianne Moore (\$475); 888-222-7639 to order.
