## LOVE LIVES

### Naomi Is Ready for Baby

"I had morning sickness for four weeks at the beginning, and I feel congested."

**Naomi Watts**, 38

recently said of her pregnancy (beau of two years

**Liev Schreiber**, 39, is the father). "But otherwise, I am at the glowing stage."

Watts, who's up next in the September mystery *Eastern Promises*, is reportedly planning a prebaby wedding in Sydney, Australia.
