Art Meets Fashion

This spring, Dior and *Vanity Fair* joined forces to help celebrate the Free Arts NYC 8th Annual Art Auction Benefit, Portraits and Polaroids. On April 11, the Dior boutique in New York City was the site of an exclusive champagne reception, where guests shopped and previewed the artwork. Then, on April 23, more than 600 guests gathered downtown at Milk Gallery for the star-studded Auction Benefit. Original works by such artists as Chuck Close, Tom Sachs, and Catherine Opie were sold by art expert Simon de Pury to raise more than \$650,000. The evening's supporters included Liv Tyler, Amy Sacco, Mary Alice Stephenson, Naomi Watts, Liev Schreiber, Bob Colacello, Nick Cannon, Selita Ebanks, Becca Carson Thrash, Glenn O'Brien, and Patricia Velasquez. Guests enjoyed Pravda Vodka cocktails as they celebrated the charitable efforts of Free Arts NYC.
