ART FOR CHARITY

7 for All Mankind and *Vanity Fair* will present the Free Arts NYC Annual Art Auction Benefit on April 30. Celebrating Free Arts's 10th year, the event will be co-chaired by Amy Sacco and Mary Alice Stephenson. Friends and collectors will join them at Phillips de Pury as Simon de Pury auctions 12 unique Polaroid 20 x 24 images by Marilyn Minter, Richard Prince, and Christopher Wool, among others. More than 50 additional works will make up a silent auction showcasing the best of contemporary art and photography. All proceeds will support Free Arts NYC's creative arts and mentoring programs for underserved children. For information and tickets visit freeartsnyc.org.
